

# PEOPLE WITH DIABETES IN FIRE AFFECTED AREAS

Access to blood glucose meters, strips and other equipment such as needles and syringes for fire affected areas.

Patients with diabetes in fire affected areas who need urgent replacement of blood glucose meters and strips are advised to contact: **Diabetes Australia - Vic on 1300 136 588** for rapid replacement. Diabetes Australia -Vic will also provide rapid replacement of NDSS cards to ensure access to subsidised blood testing strips, syringes, needles and access to pump supplies.
